

Electeur.h

```
graph BT; A[Electeur.cpp] --> B[Electeur.h];
```

A diagram illustrating a file dependency. At the bottom is a white rectangular box with a black border containing the text "Electeur.cpp". A vertical blue line with a triangular arrowhead at the top extends from the bottom box to a gray rectangular box with a black border at the top, which contains the text "Electeur.h". This represents the relationship where the C++ source file includes the header file.

Electeur.cpp
